CREATING A CULTURE OF INNOVATION

Leading the Way in Engineering Education

Vidyavardhaka College of Engineering is one of the prestigious engineering colleges in Karnataka. Established in 1997, VVCE has grown in leaps and bounds since inception. VVCE is an autonomous institute affiliated to Visvesvaraya Technological University (VTU), Belagavi, approved by AICTE & UGC, New Delhi and recognized by Govt. of Karnataka. Six UG programs are accredited by National Board of Accreditation, New Delhi. VVCE is also accredited by NAAC with "A" grade. VVCE offers seven UG programs, three PG programs and nine Research Centres for pursuing PhD programs, with a total student population of over 3200. The college has excellent infrastructure coupled with qualified and passionate faculty team to provide a perfect learning ambience. The college is under the able leadership of Dr. B. Sadashive Gowda, PhD (IISc) as Principal, who has rich experience in industry and education fields both in India and abroad.

ABOUT DEPARTMENT

The Science of Machines That Learn and Evolve

Vision of the Department

To be a leader in Artificial Intelligence education and research, nurturing socially responsible and globally competent professionals for a sustainable and transformative society

Mission of the Department

1. To provide profound learning through proficient staff and state-of-the-art infrastructure.
2. To encourage industry-institute collaboration and sustainability in research and innovation.
3. To foster leadership qualities, ethical values and entrepreneurial skills for holistic development.

A Message from Head of the Department

It is a great pleasure to address you as the Head of the Department and share our latest milestones as we continue to lead and innovate in the rapidly evolving field of Artificial Intelligence and Machine Learning.

Our recent accomplishments in academics, research, and skill development activities are a direct reflection of the incredible talent, dedication, and hard work of our department community. Looking ahead, I invite everyone to actively participate in the exciting initiatives and opportunities that lie before us. Your involvement plays a vital role in shaping the future of AI and Machine Learning in our department.

I extend my heartfelt gratitude to our dedicated faculty, staff, and students for their unwavering commitment and support. Let us continue to push boundaries, inspire one another, and build a lasting legacy of innovation together.

Dr. Aditya C R
Professor & Head
B.E., M.Tech., Ph.D.

Editorial Team

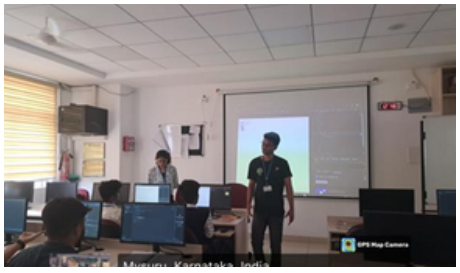
WORKSHOPS

A workshop titled 'Grow and Lead Your Club' was conducted for the core members of all departmental clubs. Dr. Jibrael Jos, Associate Dean, Christ University, Pune Lavasa Campus, guided around 35 students on the qualities of effective leadership and attributes of a good leader.

"NoSQL Simplified: Practical Learning with MongoDB" was held for 7th semester students on 17–18 September 2025. Mr. Kiran Kumar, Senior Engineer Manager at HashedIn by Deloitte, demonstrated indexing, sharding, and aggregation. Around 100 students participated in the hands-on sessions.

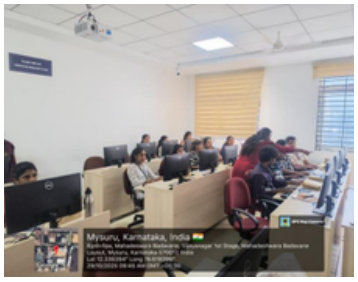
Organized a 3 day workshop on Data Visualization toolkits for 3rd sem students titled " Industry focused Data Visualization Workshop: Turning Data into Insights " from 29th to 31st October 2025. The resource person was Mr Naveen S, consultant, Avinya Technologies.

A Hands-on session on implementing a real time project using HTML, CSS and JavaScript was conducted to Lateral entry students on 10th September 2025, Wednesday. Mr. Harshith M and Ms. Harshika Darda of 7th semester demonstrated the projects and guided the students on Implementation.



WORKSHOPS

A three day Skill Enhancement program on AIoT for 7th semester students in association with Digitoad technologies from 29th October 2025 to 31st October 2025 . The resource person was Ms. Mrunalini , Application Engineer from Digitoad technologies Pvt Ltd, Bangalore .



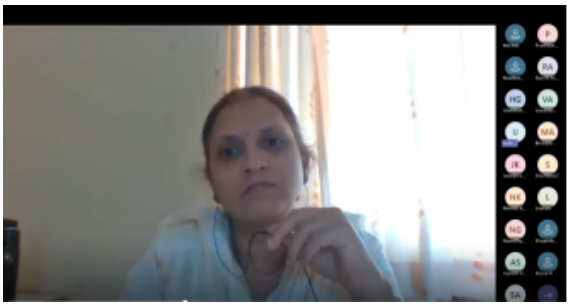
Organized a three-days workshop on “Domain Specific Training Program on Agentic AI”, from 20th to 22nd at M310 VVCE, under the guidance of our beloved HOD and in association with ISTE. The resource person was Mr. Pawan.N software consultant from IVIS Labs, Mysuru.

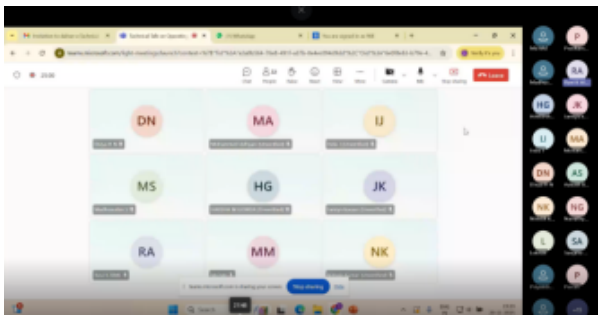
In collaboration with Placement & Training, the Department hosted “Google Dev Fest 2025” with GDG Mysuru on 22nd November 2025. Mr. Sourabh Mishra spoke on Cloud & DevOps, while Ms. Gayatri Devi Srinivasan covered Flutter and Web Development. The event attracted 200+ participants from across Karnataka, including students and industry professionals.

A five-day workshop on VR Development was conducted for 8th Semester students from 19th to 23rd January 2026 by Dr. Kasar from Edspire Technologies. The workshop provided hands-on exposure to virtual reality development, followed by a 16-week free internship opportunity for the students.

TECHNICAL TALKS

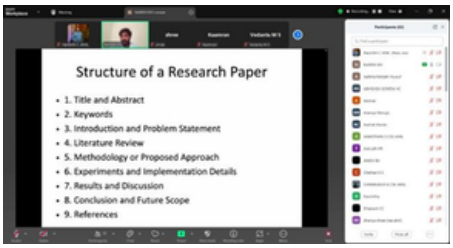
Organized a Technical Online Talk on" Operating Systems" for 5th sem Students Resource Person was Mrs. Divya H N , Asst Professor SJCE, Mysore

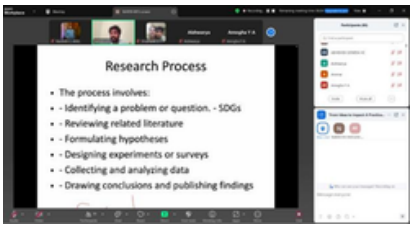




Conducted a technical talk on "Agentic AI and its applications" on 19-09-2025 for 5th sem students. Dr. Noushanth Shaffi from Sultan Quaboos Univeristy, Sultanate of Oman was the resource person.

An online technical talk on "From Ideas to Impact" was held on 30th July 2025 with 86 participants. Dr. Narendran Sobanapuram Muruganandam covered research basics, literature surveys, paper writing, tools, and conference vs. journal publications.



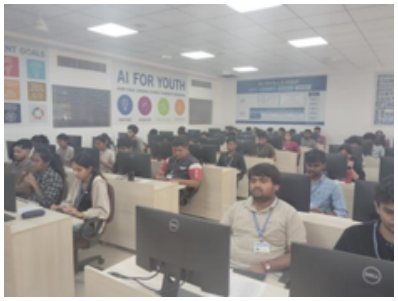


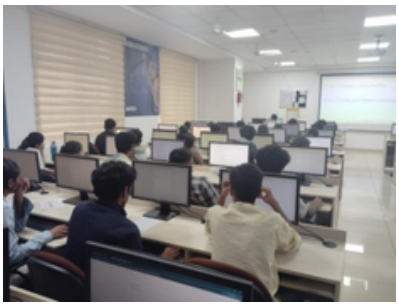
Technical talk was conducted on 27-10-2025 on the topic" NLP applications in healthcare" for 7th sem students. Dr.Prathibha R J , Associate Professor of ISE, SJCE was the resource person.

CODEATHONS

Conducted CODEATHON for 2nd semester CSE(AI&ML) students on 2/6/2025. The event was inaugurated by Dr. Shoba Shankar , Vice Principal & DAA, Dr. G V Naveen prakash, DAA-FY and Dr. Aditya C R, HoD CSE(AI&ML). Around 185 students participated in the event.

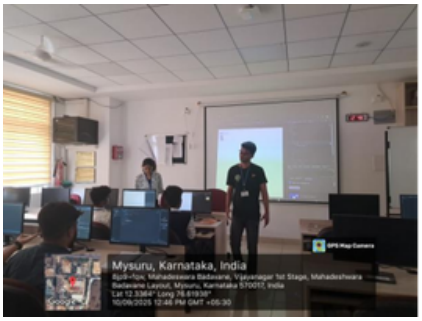
Conducted Data Structures Codeathon competition for 3rd Semester CSE (AI & ML) students on 27-12-2025





The intra-department hackathon “Code Genz 2.0” was held on 29-11-2025 for 5th semester students. Participants were given 8 hours to develop and present projects, aligned with Design Thinking and Project-Based Learning for Basics of ML. Faculty from various branches served as jury members, and winners were awarded cash prizes.

A Hands-on session on implementing a real time project using HTML, CSS and JavaScript was conducted to Lateral entry students on 10th September 2025, Wednesday. Mr. Harshith M and Ms. Harshika Darda of 7th semester demonstrated the projects and guided the students on Implementation.



HACKATHONS

The Department of CSE AI & ML in association with Velocity foundations has organised a 30 hours AI accelerated "Hack-AI-Thon". Mr. Manju S Hathwar, L&T technology inaugurated the event on 6-11-2025 in the sports complex.

Smart India Hackathon 2025 was hosted in Vidyavardhaka college of engineering by Dept of CSE AI&ML and TAP Dept on 8th and 9th of December 2025. 4 problem statements were allotted to the nodal center 18 teams participated in the event. 4 teams chosen as winners after meticulous mentoring and evaluation sessions.

The GenAI Hackathon organized by AWS was conducted from 26th September to 3rd October 2025. Five students from VVCE were shortlisted for the final round held on 3rd October.

ALUMNI-INTERACTIONS

Conducted an Alumni interaction on "Big data and it's applications and carrier opportunities " for VII semester, CSE(AI&ML) students by Mr.Shivakumar M, Software Engineer, Impaqx Business LLP, Mysore on 16/9/2025

Conducted an Alumni Interaction on "Exploring Professional Avenues in AI & ML" for 2nd year CSE (AIML) students by Mr. Hithesh R, Software Engineer, Cognizant Technology Solutions, on 25/09/2025.

An alumni interaction session was conducted on 31st January 2026 for 6th Semester students. Ms. Nagaprapthi P. S., alumna of the 2020–2024 batch and currently working as a Cloud Architect at Hewlett Packard Enterprise Pvt. Ltd., interacted with the students and shared insights on industry trends, required skills, and career paths.

CLUB ACTIVITIES

Yuvaa Club organised Teacher's Day on September 4th, 2025, Thursday. The event included fun games, dance by students and video tribute.

Elevate U club celebrated the Onam festival on 12th September 2025. Team building activities and cooking (without fire) events were conducted for Department staff members. Best dressed female faculty and Best dressed male faculty were awarded.

Orientation program for 3rd sem students on 15th and 16th September. Principal, Vice principal and Dr. Aditya C R, HOD inaugurated the ceremony. Various technical activities were conducted by Elevate u , Ignitia and Vectorflow club.

Department has started a new Research and Development club "ForgeNexus" on Saturday 10th Jan 2026. The club was inaugurated by Dr. G B Krishnappa sir, Dean of Research and Development and Dr. Adtiya C R, Head of the Dept CSE AI&ML. The event was followed by a workshop on N8N Tool. Around 30 students were part of the workshop

OUTREACH ACTIVITIES

Organized a Student Outreach Activity on 27th December 2025 for the students of Swami Vivekananda Youth Movement Government High School, Sargur (Taluk), Mysuru District).

Outreach activity was conducted in association with hithasrushti club on 26th July 2025 in Lakshmipuram govt. PUC . Awareness about AI and it's applications were created by student coordinated .Quiz on AI was conducted and winners were rewarded with goodies.

NSS organized a one day outreach activity for Government High School, Kukkarahalli on 7th August 2025, Thursday. Around 40 students from GHS were part of the event. Outreach activity included exposure on the basics of the computer, MS Word and MS Powerpoint for students. It also included visits to AICTE IDEA Lab, NCC and VVCE BAJA. Fun games were also part of the activity with exciting prizes.

An Outreach Activity was conducted in association with NSS for 3rd and 5th Semester students on 15th November 2025. The students actively participated in science demonstrations, computer literacy sessions, scholarship awareness programs, career guidance activities, and an oral health camp conducted for 8th, 9th, and 10th-grade students. Volunteers also participated in cleaning and plantation drives.

DEPARTMENT ACTIVITIES

5 days FDP on AI for Teaching, Learning and Research from 9th to 14th August.Resource persons were from Christ University Pune Lavasa campus.

Student Conclave on 21St of August 2025, Thursday at M201. Students gave their viewpoints on the Teaching and learning paradigms, Infrastructure, Placement and Training, Examination and Internal assessment, Research & Development and Expectations as a University. 30 students from 5th and 7th semester were part of the conclave.

Mock NBA visit on 23 August 2025 was conducted byDr. Janardhanan Gangathulasi, Professor and Dean (Academics and Research), NITTTR, Chennai, Tamil Nadu was the reviewer.

Three Day workshop which was sponsored by AICTE ATAL under VAANI scheme. Faculty members and PG scholars from across karnataka participated in the workshop. Mr. Karthigeyan, CEO of Logycent inaugurated the event and Sri. Gundappa Gowda presided over the event

DEPARTMENT ACTIVITIES

A National Conference on “Techno-Ayurveda” was organized on 18th November 2025 in association with the Government Ayurvedic Research Centre, Mysuru. The conference focused on the integration of modern technology with Ayurveda for disease diagnosis and treatment and was attended by experts from Ayurveda and engineering institutions. The event was graced by distinguished dignitaries from academia, industry, and the AYUSH sector.

An industrial visit to ChipSync Technologies was organized on 7th January 2026 for 3rd Semester students with 30 participants. The visit provided students with exposure to embedded systems, IoT, VLSI, and software development through interactive technical sessions and real-time industry applications. Students also gained insights into product development processes and current industry practices.

Faculty members attended the JAN AI Summit 2026 organized in collaboration with Cyberverse Foundations, Vignyan Labs, and Berunda Foundations. The summit featured technical talks on AI in Agriculture and AI in Cybersecurity, along with a panel discussion on “AI Adaptation is an Hourly Need” and a masterclass by the founder of Vignyan Labs.

DEPARTMENT ACTIVITIES

A three-day FDP on “Teaching and Learning Methodologies” was organized for newly joined faculty members of VVCE from 9th to 11th February 2026. The FDP focused on OBE, course design and delivery, assessment methods, mentoring, professional ethics, and technology-enabled teaching practices. The sessions were conducted by faculty members who had completed IUCEE certifications.

An industrial visit to ISRO’s U R Rao Satellite Centre (URSC), Bengaluru, was organized on 5th March 2026. Students explored advanced space research facilities and gained insights into artificial satellite design and development. The visit provided valuable exposure to space technology and inspired students towards innovation and research.

In association with the Yuvaa Club, a trek to Kunti Betta was organized on 1st March 2026 for 6th-semester students. Around 50 students participated in the trek, which encouraged teamwork, adventure, and outdoor learning experiences.

STUDENTS' ACHIEVEMENTS

Prerana Jagadesh of 4th sem CSE(AIML) is Selected for all India Inter- University Baseball women Championship 2025 , representing VTU

Saurabh Joshi, Trisa Das, and Nithaksha G., along with Chiranthan M. S., won the "Best Hunger Solution" category at the Global Virtual Open Innovation Hackathon 2025 organized by the Vokkaligara Parishat of America (VPA). The event was held on 4th July 2025 during the Vishwa Vokkaliga Sammelana and focused on solutions aligned with the UN Sustainable Development Goals.

Preran S. Gowda, Shamanth M. S., and Shashank S. secured a position among the top teams at the Infosys Global Hackathon, Mysuru. The team has advanced to the grand finale, scheduled to be held in Hyderabad on 4th and 5th August.

Mr. Thanush B. J., Mr. Aryan Aiyappa, and Ms. Anjali Bharadwaj presented their idea titled "Optimising Logistics and Business Growth using Sales Data by Adopting ML Models" at the MSME Idea Hackathon 5.0 under the category "Innovation for Business Upliftment and Sustainability in Coastal and Hilly Areas. "Their idea was selected for the State-level presentation.

STUDENT ACHIEVEMENTS

Harshith, a 7th Semester student, along with his team, emerged as the winner of Smart India Hackathon (SIH) 2025 held at Galgotias University, Greater Noida, Uttar Pradesh.

Suhani S. Gowder from Team Zanthos emerged as a winner at the Smart India Hackathon (SIH) 2025 Hardware Edition held at G. L. Bajaj Institute of Technology, Greater Noida.

Preran S. Gowda, Shamanth M. S., and Shashank S. of V Semester attended Mysuru Entrepreneurship Habba 2025 at SDM IMD, Mysuru, on 12th September 2025 as delegates. The event included sessions on innovation, entrepreneurship, and Bharath Pitchathon 4.0.

Shashank ,Ronith and Sanjana Ambarish of V semester B section CSE(AIML), participated in XLR8 Ideathon compitation by IEEE computer society and won FIRST place, in VVCE on 24/9/2025

STUDENTS' ACHIEVEMENTS

Two final-year student teams won prizes at the PALS TurboTech Build Hackathon. Team G.N.I.O.S. secured 1st Prize in the "Multi-class Image Classification Task," while Team Schutz Staffel won 2nd Prize in the "Multi-Label Text Embedding Classification Task."

Two final-year student teams won prizes at the PALS TurboTech Build Hackathon. Team G.N.I.O.S. secured 1st prize in the "Multi-class Image Classification Task," while Team Schutz Staffel secured 2nd prize in the "Multi-Label Text Embedding Classification Task."

Nishchith C Y , 5th sem Dept of CSE(AIML) has been selected for Kabaddi to represent VTU in southzone National Inter University Championship

Mr. Arya Drupad from 1st Year A section AI&ML Department secured first place in the international Karate Championship, the Shorin Kai Cup 2025 October 5th held at Al Ittihad Private School, Dubai, U.A.E.

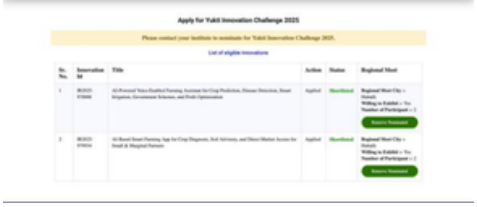
STUDENTS' ACHIEVEMENTS

Team Aplha15 from CSE(AI&ML) VVCE won the Consolation Prize in HAXLR8 2.0, the 24-hour Hackathon organized by the Department of ECE at MIT Mysore! team members: Saurabh Joshi, Trisa Das,Yuktha Billar

Team Code Breakers secured 1st place in the BAR-CAMP 2025 Competition conducted by the Department of ECE in association with IEEE on 17th October 2025. The team members were P. G. Ayush Rai of 5th Semester and Nagendra A. S. of 3rd Semester.

Ronith R., Shamanth, and Sanjana Ambareesh of V Semester B Section secured 2nd place in the HAXLR8 2.0 – 24 Hour Hackathon organized by MIT, Mysore, on 17th and 18th October 2025.

Mr. Aashish, Mr. Uthkarsh, and Mr. Chandan of 3rd Semester had their project selected for the YUKTI Innovation Challenge 2025 and AICTE Productization Fellowship (APF). Their ideas were shortlisted in the first round, and they were invited to present their prototype at the Regional Meet in Hubballi.



STUDENTS' ACHIEVEMENTS

Mr. Aashish, Mr. Uthkarsh, and Mr. Chandan of 3rd Semester had their project selected for the YUKTI Innovation Challenge 2025 and AICTE Productization Fellowship (APF). Their idea was shortlisted in the first round, and they were invited to present their prototype at the Regional Meet in Hubballi.

Sanjana Ambarish, Preran S. Gowda, Shashank S., and Ronith R. of 5th Semester secured 2nd place in the Skillathon at the Bengaluru Skill Summit 2025. The team received the award from Dr. Sharanaprakash, Honorable Minister for Skill Development and Entrepreneurship.

Mr. Arya Drupad of 1st Year 'A' Section secured 1st place in the 30th Shorin Kai National Karate Tournament held on 9th November 2025 at Chamundi Vihar Stadium, Mysore.

Students of CSE(AI&ML) won rolling trophy in Taranga event

STUDENTS' ACHIEVEMENTS

Prerana Jagdish of 5th B Section and Anargya of 3rd A section is in VVCE Women Throwball Team Champions in VTU Inter - Collegiate Mysuru Division 2025-26 Tournament organized by GSSSITW, Mysuru and qualify for State level

Team CosmicSeNTinal secured the 2nd Runner-Up position at the national-level hackathon conducted by KSSEM, Bengaluru. The team, consisting of Saurabh Joshi, Trisa Das, and Nithaksha G., achieved this milestone among 200+ shortlisted teams from across the country.

P G Ayush Rai from 5 th Sem CSE-AIML, along with his team. They were the runner-up of the 24-hour hackathon Prayog conducted by the department of ME at VVCE on 20 and 21st of November 2025

FACULTY ACHIEVEMENTS

1. Dr. Aditya C. R., Head of the Department, delivered a technical talk on “Merits and Demerits of AI” at Ramakrishna Paramahamsa Pratishthana on 5th November 2025.
2. Dr. Aditya C. R. inaugurated and delivered the keynote session for the seminar on “AI in Healthcare” organized by Soggy Group of Medical Institutions on 9th October 2025.
3. Dr. Aditya C. R. and Prof. Harshith V. delivered sessions in a five-day FDP on “AI for All – Interdisciplinary Applications Across Engineering Domains” organized by the Department of Electrical and Electronics Engineering, VVCE Mysore, in association with the IEEE PELS Bangalore Chapter, on 30th July 2025.
4. Dr. Balarengadurai C. received the Best Alumnus Award (B.Tech–IT) at the Silver Jubilee Celebration of Karpaga Vinayaga College of Engineering (Autonomous), Chennai.
5. Dr. Balarengadurai C. published a book chapter titled “Web-Based Detection and Prevention of Cyber Attacks Using Blockchain” in Springer, indexed in Scopus.
6. Dr. Balarengadurai C. successfully completed the IBM Qiskit Fall Fest 2025 conducted at NIT Puducherry, Karaikal, from 17th to 19th November 2025.
7. Dr. Vijay C. P. as PI and Dr. Varshitha D. N. as Co-PI submitted a research proposal worth ₹40 Lakhs under the ANRF ARG Scheme, which was accepted for technical evaluation.
8. A patent titled “IoT-Enabled Real-Time Automobile Mishap Detection and Emergency Response System” was filed on 22nd September 2025 by Dr. Balarengadurai C.
9. Dr. Balarengadurai C. served as a reviewer for the 2025 International Conference on Signal Processing, Computation, Electronics, Power and Telecommunication (IConSCEPT 2025) organized by NIT Puducherry under the IEEE Madras Section.
10. A patent titled “HOLO-EDU: AI-Powered Holographic Learning Assistant” was filed on 16th September 2025 by Dr. Vijay C. P., Sumukha S., Sanjana B. N., and Pavan Raj R. G.
11. Dr. Balarengadurai C. served as a jury member for the Poster Presentation Competition organized by the Department of Computer Science & Engineering and CSE (AI & ML) at the National Institute of Engineering (NIE), Mysuru, on 22nd November 2025.
12. Prof. Latha D. U. successfully presented a paper at the 3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON-2025) held at NMIT, Bengaluru.
13. Dr. Vijay C. P. published conference proceedings in the 3rd IEEE International Conference on Knowledge Engineering and Communication Systems (ICKECS 2025), which was indexed in Scopus.
14. Dr. Vijay C. P. published a paper titled “A Novel Deep Learning Approach for Mango Leaf Disease Segmentation and Classification with Optimization Algorithms” on 8th November 2025.
15. Dr. Varshitha D. N. successfully completed the Faculty Development Program on “Sustainability” organized by the IUCEE Foundation from June to August 2025.
16. Dr. Varshitha D. N. delivered a technical talk on “The Project Roadmap” for 2nd and 3rd year BCA students at MYCAS Degree College, Mysuru, on 14th October 2025.
17. Dr. Varshitha D. N. published a Scopus Q1 journal paper titled “Automated Detection of Polycystic Ovary Syndrome Using Convolution Neural Networks on Ultrasound Images.”
18. Prof. Latha D. U. and Dr. Varshitha D. N. published a conference paper at the 2025 IEEE International Conference for Women in Innovation, Technology & Entrepreneurship (ICWITE).

FACULTY ACHIEVEMENTS

19. A patent titled “Hybrid AI-Hardware System for Drone Identification and Security Alerting” was filed on 12th September 2025 by Dr. Varshitha D. N., Prof. Latha D. U., and Prof. Rashmi K.
20. Prof. Latha D. U. and Dr. Varshitha D. N. were certified as AI Mentors by TCS after completing a one-month training and evaluation program.
21. Prof. Latha D. U. presented a conference paper at the NICE-TEAS Springer Conference organized by WSG University, Poland.
22. Dr. Manjunath C. served as a Session Chair at the 5th International Conference on “6G Communication Networking and Signal Processing (SGCNSP) 2025.”
23. Dr. Manjunath C. published a conference article in “Communication and Intelligent Systems, ICCIS 2024,” Lecture Notes in Networks and Systems, Springer, Singapore.
24. Dr. Manjunath C. also published a paper in a Q2 journal.
25. Dr. Sonali N. M., Bharaneesh Gowda, Krish Kedia, and Joel Christ D’Souza received the Best Paper Award at the ICETEG IEEE Conference held at SJCE, Mysuru, on 11th October 2025.
26. Prof. Soumya G. V. served as a Peer Reviewer for the 3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON) organized at Nitte Meenakshi Institute of Technology, Bengaluru.
27. Prof. Soumya G. V. presented a paper at the 3rd IEEE International Conference on Knowledge Engineering and Communication Systems (ICKECS 2025), and the proceedings were indexed in Scopus.
28. Prof. Indu J. delivered a talk on “The Future of AI: Opportunities and Ethical Challenges” organized by the NDLI Club of Library and Information Center, JSS STU/SJCE, on 23rd July 2025.
29. Prof. Nidhishree G. and Prof. Indu J. successfully completed the IUCEE International Engineering Educator Certification Program (IIECP), Spring 2025. Prof. Nidhishree G. was also awarded a Certificate of Distinction.
30. A patent titled “IoT-Enabled Real-Time Weed Management System with Precision IR Laser Ablation with Integrated Water-Curtain Cooling” was filed on 16th September 2025 by Dr. Sonali Nandish Manoli, Rohan Lobo, Rohan K., and Shashank S. P.
31. Prof. Harshith C. presented a paper on “Predicting CO2 Emission Using Deep Learning Techniques” at the International Conference on Smart Mechanical Systems for Sustainability (ICSMSS-2025).
32. Prof. Harshith C., Prof. Revathy B. D., Prof. Vignesh T. V., and Prof. Harshith V. served as resource persons for a workshop on “Hands-on Journey of MySQL and Python” conducted for final-year BCA students at Vidyavardhaka First Grade College.
33. Prof. Kruthika S. G. delivered a talk on “Digital Forensics Awareness and its Role in Modern Criminal Investigations” at the NSS Special Camp organized by Sarada Vilas Law College on 3rd December 2025.
34. A patent titled “Improving Speaker Verification in Forensics Using DBN-Based Representation Learning” was filed on 22nd September 2025 by Prof. Kruthika S. G. and Dr. Trisiladevi C. Nagavi.

FACULTY ACHIEVEMENTS

35. Prof. Kruthika S. G. published a Q2 Scopus-indexed paper titled “Semi-Automatic Voice Comparison Approach Using Spiking Neural Network for Forensics” in August 2025.
36. Prof. Soumya G. V. successfully presented a paper at the 3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON-2025) held at NMIT, Bengaluru.
37. Prof. Latha D. U. and Dr. Varshitha D. N. published a conference paper at the 2025 IEEE International Conference for Women in Innovation, Technology & Entrepreneurship (ICWITE).
38. The VVCE team comprising Dr. Balarengadurai C., Dr. Vedavathi N., Dr. Vijaya C. P., and Savyasachi served as External Experts for the NBA and Academic Audit at Sahyadri College of Engineering & Management, Mangalore.
39. Dr. Pramila R. M. served as a resource person for a Faculty Development Programme at St. Joseph Engineering College, Mangalore, on 9th and 10th January 2026.
40. Dr. Varshitha D. N. participated as a member of the Board of Advisory Committee meeting of the BCA Department at MCYAS Degree College, Mysore, on 16th January 2026.
41. Dr. Varshitha D. N. and Prof. Latha D. U. cleared the NPTEL examination on “Design Thinking for Educators” with scores of 94 and 92 respectively.
42. Dr. Varshitha D. N. was invited to serve as a jury member for the Business Analytics event “Tatva,” held as part of the state-level management fest “Vidvath-2026,” organized by the MBA Department of VVCE on 24th January 2026.
43. Prof. Latha D. U. delivered a technical talk on “Real-World Applications of Artificial Intelligence and Machine Learning” under the ISTE Student Chapter at Government Polytechnic, Malavalli.
44. Dr. Kruthika S. G. successfully defended her Ph.D. thesis titled “Development of Voice Comparison Algorithms for Forensics” under the guidance of Dr. Trisiladevi C. Nagavi, Associate Professor, Department of CS, JSS STU.
